

ain't it time

Richard Lloyd

Intro riff 4x

i had a dream, yes and baby you were there
toy soldiers on the ground, but they had no war
how long will I sleep, here fully sheltered from the world?
how long will you believe, just like a little girl?

A Bm G A
how many times will we fall, to rise again?
Bm D G A A7sus4
how many songs will we sing? we will count them at the end
