Driver 8

R.E.M.

```
Intro
G -----------------4---0---0---0---0---0---
D --------------s-5----5---5--4---2---0-----
A --------2-0-2-3---------------------------
E 0-0-2-3----------------------------------
```

```
Em          Am      G       G/F#
```
The walls are built up stone by stone
```
Em          Am         G     G/F#
```
The fields divided one by one
```
         Em            Am        G          G/F#
```
And the train conductor says "Take a break driver 8,
```
         Em      Am         G            G/F#
```
Driver 8 take a break. We've been on this shift too long

```
D       C             D
```
And the train conductor says
```
         C          D      C       D
```
Take a break driver 8, driver 8 take a break
```
         C            Riff_2x
```
We can reach our destination, but we're still a ways away

```
Riff
D -----0-------0------0--------0--
A ---2-------2-----2-------2-----
E -0-------2-----3------2--------
```

```
Em   Am             G              G/F#
```
Saw a treehouse on the outskirts of the farm
```
Em           Am         G               G/F#
```
Power lines have floaters so the airplanes won't get snagged
```
Em           Am          G     G/F#
```
Bells are ringing through the town again...
```
Em           Am          G      G/F#
```
Children look up all they hear is sky-blue bells ringing

Chorus w/ riff 4x

```
  Am              C
```
Way to seal the hated heat
```
  G             D
```
Way to put myself to sleep
```
  Am              C
```
Way to seal the hated heat
```
  G               D
```
Way to put myself my children to sleep

Repeat Intro

```
Em          Am        G          G/F#
Pilot did this song in a plane like that one
Em          Am        G          G/F#
She is selling faith on a hotel crusade
Em          Am        G              G/F#
Locomotive 8, Southern Crescent hear the bells ring
 Em            Am          G        G/F#
again  This field of wheat is looking thin...

D        C            D
And the train conductor says
         C        D       C      D
Take a break driver 8, driver 8 take a break
         C              D
We've been on this shift too long.

D        C            D
And the train conductor says
         C        D       C      D
Take a break driver 8, driver 8 take a break
         C            Riff_4x
We can reach our destination, but we're still a ways away...
```

End on Em
