Em G D Bm A
Daytime just makes me feel lonely
Em G D Bm C
At night I can only dream about you
Am D Am D
Girl you're on my mind nearly all of the time
C G D
It's so hard being here without you

Em G D Bm A
Words in my head keep repeating
Em G D Bm C
Things that you said when I was with you
Am D Am D
And I wonder is it true - Do you feel the same way too?
C G D
It's so hard being here without you
C A Em
Being here without you

Bridge

G Bm C A
Though I know it won't last I'll see you some day
G Bm C
It seems as though that day will come never
G Bm C A
But there's one thing I'll swear though you're far away
C A F
I'll be thinking about you forever

Em G D Bm A
Streets that I walk on depress me
Em G D Bm C
Ones that were happy when I was with you
Am D Am D
Still with all the friends I know and with all the things I do
C G D
It's so hard being here without you...
C A B
Being here without you
